

## 8 WALL GALLERY

We are excited to invite you to the opening of ***Gravity System Response***, a solo exhibition by **Ash Keating** on **Thursday, 28 August, 6-8 pm**.

Ash Keating's ethereal paintings are the latest works from the internationally recognised artist's Gravity System Response (GSR) series, which has been presented across the globe since 2015 ~ from NY, NZ/Aotearoa, to Europe, Asia & most recently at Spring1883 in Naarm/Melbourne.

'The paintings are charged with deeply personal and tender reflections on grief, the passage of time, and their place within the canon of abstract painting; they ultimately radiate positivity for the human experience.' This iteration comprises ten new paintings, exhibited alongside an ongoing Weaving Project in the front room to inaugurate 8 Wall Gallery. This heavenly series speaks to a universal language of love, loss and light.

**Ash Keating** is a Naarm/Melbourne-based contemporary artist internationally recognised for his large-scale, abstract paintings and expansive, site-responsive interventions that traverse the boundaries between art, architecture, and the urban environment. Across a practice spanning nearly two decades, he has developed a singular visual language driven by colour, gesture, and embodied physicality — working primarily with paint applied via industrial sprayers to build up immersive surfaces of chromatic intensity.
